REQUEST FOR REFUND

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This paper is a Request to Refund the fee charged to the undersigned's Deposit Account on March 21, 2008 in the amount of \$2,925.

The facts are as follows:

This application is a national stage entry of PCT/GB2003/003236. A Preliminary Amendment and fees, including excess claims fees, were filed on January 18, 2005. The Preliminary Amendment reducing the multiple dependent claims. Small entity status was claimed. It is believed that the fees due at that time, in light of the Preliminary Amendment, were paid in full (\$550 by check). On September 30, 2007, an Amendment was filed on August 15, 2007, which added three dependent claims. The excess claims (\$150) were charged. The extension fee of \$1080 (small entity) was not charged. On March 21, 2008, the USPTO withdrew \$2,925, citing codes 2202 and 2201 (excess claims fees). Perhaps the original claims were used in this calculation, as compared to the amended claims. However, it is believed that these fees should be refunded and the extension fee of \$1080 (code 2255) should be charged.

Application No. 10/521,522

The Director is hereby authorized to credit the fee(s) to Deposit Account No. 502807. Please credit the undersigned's Deposit Account No. 502807 in the net amount of \$1,845.

Respectfully submitted,
